Toluwani Abiola

Senior Backend Developer

Uyo, Nigeria | capstone.candidate010@example.com | +234 800 000 0010

PROFESSIONAL SUMMARY

Experienced senior backend developer with 8 years of experience in human resources environments. Works across Python, Django REST Framework and PostgreSQL, with emphasis on API design, reliable data workflows and maintainable service integrations. Has contributed to production services, release quality and technical documentation across cross-functional teams.

CORE COMPETENCIES

Python | Django REST Framework | PostgreSQL | GitHub Actions | Docker | Testing

PROFESSIONAL EXPERIENCE

Senior Backend Developer | VistaNova Systems

2023 - Present | Uyo, Nigeria

- Built service endpoints to support human resources workflows and collaborated with product and QA teams on edge cases.
- Refined caching and background-job processing for peak transaction periods; reduced repeated database reads in test workloads.
- Implemented structured exception reporting and release checklists, reducing untriaged defects in the sprint backlog.
- Measured a 15% improvement in an internal recruitment reporting response-time benchmark after revising data access and request handling.

Software Developer | NovaBridge Studio

2018 - 2023 | Nigeria

- Reviewed pull requests, clarified acceptance criteria, and mentored junior contributors on test-first delivery.
- Consolidated duplicate business-logic modules into shared components and reduced maintenance effort across three endpoints.
- Investigated production error reports and shipped fixes with rollback notes, monitoring checks, and incident summaries.

SELECTED PROJECTS

Customer Case Dashboard | 2026

- Implemented a Python service layer for organizing unresolved requests by owner and priority; documented payload validation, test cases and error-handling behaviour.
- Prepared integration documentation for 7 endpoints and resolved edge-case failures discovered in peer testing.

Workforce Scheduling Board | 2025

- Implemented a Python service layer for coordinating availability and shift coverage; documented payload validation, test cases and error-handling behaviour.

EDUCATION

BEng Software Engineering | University of Benin | 2017

PROFESSIONAL CERTIFICATIONS

AWS Certified Cloud Practitioner
