Boluwatife Ajibade

Full-Stack Developer

Kaduna, Nigeria | capstone.candidate014@example.com | +234 800 000 0014

PROFESSIONAL SUMMARY

Experienced full-stack developer with 6 years of experience in retail environments. Works across Python, FastAPI and SQL, with emphasis on API design, reliable data workflows and maintainable service integrations. Has contributed to production services, release quality and technical documentation across cross-functional teams.

CORE COMPETENCIES

Python | FastAPI | SQL | Docker | Redis | API Security | Git | Cloud Deployment

PROFESSIONAL EXPERIENCE

Full-Stack Developer | Beryl Techworks

2023 - Present | Kaduna, Nigeria

- Built service endpoints to support retail workflows and collaborated with product and QA teams on edge cases.
- Refined caching and background-job processing for peak transaction periods; reduced repeated database reads in test workloads.
- Implemented structured exception reporting and release checklists, reducing untriaged defects in the sprint backlog.
- Measured a 13% improvement in an internal inventory tracking response-time benchmark after revising data access and request handling.

Software Developer | Brightrail Solutions

2020 - 2023 | Nigeria

- Reviewed pull requests, clarified acceptance criteria, and mentored junior contributors on test-first delivery.
- Consolidated duplicate business-logic modules into shared components and reduced maintenance effort across three endpoints.
- Investigated production error reports and shipped fixes with rollback notes, monitoring checks, and incident summaries.

SELECTED PROJECTS

Feedback Insights Notebook | 2026

- Implemented a Python service layer for summarizing customer feedback and product issues; documented payload validation, test cases and error-handling behaviour.
- Prepared integration documentation for 11 endpoints and resolved edge-case failures discovered in peer testing.

Vendor Verification Hub | 2025

- Implemented a Python service layer for recording vendor approvals, documents, and outstanding checks; documented payload validation, test cases and error-handling behaviour.

EDUCATION

BEng Software Engineering | University of Ibadan | 2019

PROFESSIONAL CERTIFICATIONS

AWS Certified Cloud Practitioner
