Ebere Madu

Junior Software Developer

Abuja, Nigeria | capstone.candidate026@example.com | +234 800 000 0026

PROFESSIONAL SUMMARY

Hands-on junior software developer with 3 years of experience in property environments. Works across Python, Django and SQL, with emphasis on application delivery, technical troubleshooting and workflow improvements. Brings structured task ownership, evidence-based problem solving and careful handoffs to collaborative delivery.

CORE COMPETENCIES

Python | Django | SQL | Git | HTML | CSS

PROFESSIONAL EXPERIENCE

Junior Software Developer | Beryl Techworks
2024 - Present | Abuja, Nigeria

- Worked with senior engineers to resolve integration failures between forms and internal data services.
- Created reusable components for common input patterns and updated technical notes for future maintainers.
- Participated in sprint planning, wrote release notes, and verified assigned acceptance tests before deployment.
- Completed 9 scoped tickets during a release cycle, including validation, test evidence and implementation notes.

Junior Developer | Mosaic Systems
2023 - 2024 | Nigeria

- Connected frontend forms to server endpoints and validated required fields to prevent incomplete tenant enquiries submissions.
- Maintained data queries and export routines using Django, with peer review and documented edge cases.

SELECTED PROJECTS

Community Events Booking | 2026

- Built a practical Python-based prototype for handling registration, attendance, and event reminders; documented test cases, assumptions and next-step improvements.

Campus Enrolment Portal | 2025

- Built a practical Python-based prototype for helping applicants to save forms and track review status; documented test cases, assumptions and next-step improvements.

EDUCATION

BEng Software Engineering | University of Nigeria, Nsukka | 2022

PROFESSIONAL CERTIFICATIONS

AWS Certified Cloud Practitioner
