Tosin Akande

QA Tester

Enugu, Nigeria | capstone.candidate038@example.com | +234 800 000 0038

PROFESSIONAL SUMMARY

Hands-on qa tester with 3 years of experience in marketplaces environments. Works across QA Testing, Test Cases and Postman, with emphasis on functional testing, clear defect evidence and regression prevention. Brings structured task ownership, evidence-based problem solving and careful handoffs to collaborative delivery.

CORE COMPETENCIES

QA Testing | Test Cases | Postman | Regression Testing

PROFESSIONAL EXPERIENCE

QA Tester | Beryl Techworks
2024 - Present | Enugu, Nigeria

- Supported exploratory testing with structured notes on high-risk interactions and data validation.
- Authored test cases for account access, data entry, and exception-handling flows, including negative scenarios.
- Used Postman to verify API responses and capture reproducible evidence for engineering handoffs.
- Logged 23 reproducible regression findings across releases, with severity labels and verification evidence.

Quality Assurance Assistant | NovaBridge Studio
2023 - 2024 | Nigeria

- Organized test evidence for releases across desktop and mobile browser views.
- Supported exploratory testing with structured notes on high-risk interactions and data validation.

SELECTED PROJECTS

Policy Claims Register | 2026
- Created a release test matrix for tracking incoming requests, reviews, and next actions; recorded positive, negative and regression cases using QA Testing.

Content Production Tracker | 2025
- Created a release test matrix for tracking briefs, review cycles, and publishing status; recorded positive, negative and regression cases using QA Testing.

EDUCATION

BEng Software Engineering | Federal University of Technology, Akure | 2022
