Deborah Umeh

UX Designer

Uyo, Nigeria | capstone.candidate043@example.com | +234 800 000 0043

PROFESSIONAL SUMMARY

Hands-on ux designer with 3 years of experience in customer service environments. Works across Figma, UX Research and Wireframing, with emphasis on user research, accessible interface flows and systematic prototyping. Brings structured task ownership, evidence-based problem solving and careful handoffs to collaborative delivery.

CORE COMPETENCIES

Figma | UX Research | Wireframing | Prototyping

PROFESSIONAL EXPERIENCE

UX Designer | Cedarcloud Systems

2024 - Present | Uyo, Nigeria

- Mapped user journeys for a customer service application and documented friction points in key forms.
- Created wireframes in Figma and tested prototype flows with internal reviewers.
- Synthesized interview notes into usability recommendations with rationale and priority levels.
- Validated three critical user journeys through prototype review with 13 participants.

Product Design Assistant | KoraWorks Digital

2023 - 2024 | Nigeria

- Mapped user journeys for a customer service application and documented friction points in key forms.
- Created wireframes in Figma and tested prototype flows with internal reviewers.

SELECTED PROJECTS

Vendor Verification Hub | 2026

- Designed a usable flow for recording vendor approvals, documents, and outstanding checks in Figma, supported by a small task-based usability study.

Quality Assurance Evidence Log | 2025

- Designed a usable flow for capturing reproducible test steps and release evidence in Figma, supported by a small task-based usability study.

EDUCATION

BSc Business Administration | University of Benin | 2022
